Complete notes for the work of fiction you read.

Guidelines for Notes:

- Write a 1 page summary of the entire work.
- Describe the main character(s) in detail. For each character, write a detailed paragraph discussing the character's traits with examples from the text.
- Choose a memorable scene and in a 1-2 page analysis explain why it is important to the main idea of the work.

On each page, record title and author of the work you are writing about. Submit work typed or handwritten neatly in blue or black ink.

Dear Parents,

Reading is not only a life-long skill that a person needs to succeed as a student and a worker, but also an essential skill in civic and personal activities. Perhaps even more importantly, reading opens the world to a person through various forms of literature. Reading gives students the opportunity to learn about people, times, regions, and ideas that may enhance their knowledge and development. Reading also can bring a lifetime of pleasure.

Research strongly suggests that reading, like most skills, improves with practice and decreases when we neglect it for even a short time. Therefore, consistent with our commitment to prepare all students for success during school and after graduation, MCPS continues to expect all students to read during the summer.

In keeping with the belief that reading promotes students' mental growth, improves their capacity to process information, and enhances their ability to understand themselves and the world around them, students at Montgomery Blair will read, and respond—in writing—to the texts they read. Successful completion of the summer reading assignment will benefit your child as he or she progresses through our curriculum. We owe it to our students to prepare them for an increasingly competitive and complex world.
